# SIDEKICK

**SIDEKICK is a bedside table that provides a home for your phone where it can charge without distracting you.**

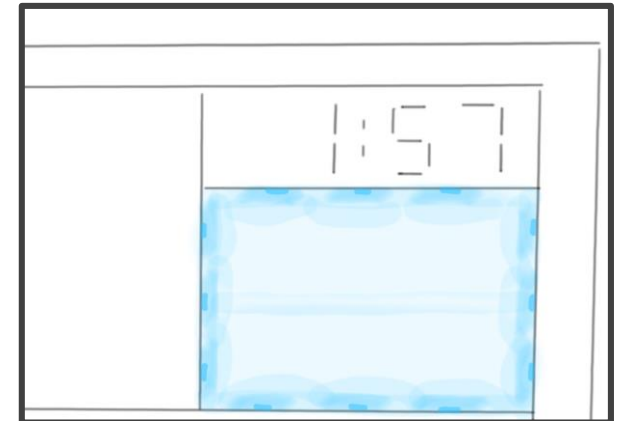

**Push-to-Open  
Drawer**

**Built-in Speaker  
for alarm**

**Wireless charger inside  
RF-blocking enclosure**

**Place phone in RF-blocking,  
wireless-charging drawer before the  
set bed time...**

**... Or else the shelf will start pulsing  
blue lights and the phone's alarm will  
go off.**
